(b) if so, whether there has been any kind of resistance from the locals in Tripura, as this has snatched their livelihood;

(c) if so, the details of the hardships faced by the border people as a result of fencing; and

(d) what is the action plan of Government to alleviate their problems?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI S. REGUPATHY): (a) to (c) Government of India has sanctioned construction of 3286 Km. of fence. Out of this, 1928 Km. of fence has been completed. Some local people have tried to resist the construction of Indo-Bangladesh border fence as they apprehend that they may be debarred from cultivating their land which falls between the international border and the fence.

(d) In order to alleviate problems of the locals residents of the border areas of the Tripura and to dispel their apprehension, the following steps are being taken/have been taken:—

(i) Government does not prohibit any Indian farmers from cultivating his land beyond fence (in between fence and international border);

(ii) In order to facilitate easy movement of farmers, the provision of gates has been made in the border fencing to enable them to go across the fencing to attend to their routine agricultural and other activities. The timings for opening of the gates have also been decided in consultation with the local residents. A BSF guard is posted at every gate to help the local people to open the gate as and when required by them. In case of emergencies, the movement is also permitted during the night time.
